

DEPUTY CLINICAL SUPERVISOR- VIC

- *Permanent Part-Time role
- *Located in Melbourne
- *Fun and Vibrant Culture

Corporate Bodies International is a leader in the provision of innovative healthy lifestyle initiatives to Australian workplaces. We currently operate across all States as well as internationally. Due to growth within our Victorian operations we are seeking a Permanent Part Time Deputy Clinical Supervisor.

The focus of the role will be to provide oversight/guidance to clinical protocols, standards, practice and competence of CBI Health Professionals, as well as the regular delivery of WorkHealth Checks. We are offering a guaranteed 3 days per fortnight with a range of flexible work options to suit the needs of individual. The hours may vary between 24 – 40hrs per fortnight, depending on business needs.

To be considered in this role, you must:

- Be a Qualified Division One Nurse or higher holding current Australian Health Practitioner Regulation Agency (AHPRA) Registration. Hold a Current CPR Certificate (less than 12 months old)
- Be dynamic and a great communicator
- Be a current member of the Australian Nursing Federation.
- Own your own reliable vehicle with a current driver's license
- Be healthy and of professional appearance
- Have a vibrant and positive attitude
- Have highly developed time management, organisational and problem solving skills
- Have demonstrated leadership and clinical skills
- Have demonstrated capacity to work in a team environment with competing priorities

Corporate Bodies International will provide you with work shirts, all health testing equipment and consumables, as well as initial and ongoing training to help you further develop your skills as a Health Professional.

To apply, please forward your resume together with a brief statement addressing the selection criteria to Naomi@corporatebodies.com.au
